
420.30**Grant Applications**

Introduction	The Iowa Department of Public Health is the USDA applicant agency for the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC). Local agencies wishing to provide WIC services must make application to the Iowa Department of Public Health.
Project and contract periods	The current WIC project period is October 1, 2017 through September 30, 2023. Contractors are required to submit an application each year to receive funding and a contract for subsequent years within the project period.
Continuation funding	Continuation funding is dependent upon: <ul style="list-style-type: none">• Review of the application,• Contract agency performance, and• Contractual compliance.
For more information	For more information about the request for proposal application process and requirements, contact the WIC program planner.
